

Q And what time?

A About seven o'clock.

Q And did she leave the house alone? Do you remember whether she went alone?

A Yes, she went alone.

Q And did she say where she was going?

A No.

Q That is the last time you saw her alive?

A Yes, sir.

Q Now do you know anything about - about her relations with Dr. Hall, who was found murdered, do you recall whether he frequently came to the house or not?

A Dr. Hall frequently came to the home.

Q But so far as you could see, his relations were quite proper with your mother - so far as you knew?

A Yes, sir.

Q Now did your mother before her death have any conversation with you about letters - about certain letters which she had written?

A Yes, mother did.

Q When was that, how long before she was murdered?

A About two months.

Q And what did she say?

A She told me in her condition, in her health condition she didn't believe that she would be very long here on
